ParkviewRegional.com

As one of Mexia's largest employers and one of the essential healthcare providers for Limestone, Freestone, Hill, and Leon counties in Central Texas, Parkview Regional Hospital has a significant impact on the communities that entrust us with their health and well-being. This impact starts with providing high-quality, compassionate care to the friends, families and neighbors who come through our doors. It continues, as this report details, in the many other ways Parkview Regional benefits Mexia and surrounding areas.

Over the years, our hospital has worked diligently to offer the services and providers necessary to serve the region's healthcare needs, and provide them close to home and when you need them. This report details our efforts to continue that practice and at the same time, shares some of the ways we contribute to the region beyond our hospital walls.

Thank you for choosing Parkview Regional, for voting us the best hospital in Mexia, and for allowing us to be your partners in better health and a better community.

Sincerely,
Mark Massey, Interim CEO
Parkview Regional Hospital

In 2023, we...

added **4 employed, affiliated or telehealth providers**

made more than **\$300,000 in capital improvements**

distributed a **payroll of \$9,157,663** to approximately 120 employees

donated more than **\$10 million** in services to those in need

paid more than **\$1.8 million in taxes**

2023 Success Spotlight

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. In 2023, we added four providers in Family Practice, General Surgery and Orthopedic Surgery.

By consistently investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. Last year, we spent more than \$300,000 in capital improvements, including plumbing re-piping, a new generator and several new defibrillators.

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

In 2023, we provided more than \$10 million in services to those in need of healthcare but without the means to pay.

We are proud to be a leader in Mexia, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
